The Premises:

Building looked a bit grotty from the outside but the flat was fine. Nice welcome. Drink offered on arrival.

The Lady:

Photos on site are a bit out of date - Amy has a few tattoos which are not shown on the website - other than that pictures are fairly accurate.

The Story:

Excellent experience - she is very friendly and chatty and really seems to enjoy her work - I'll not go into all the gory details but all services were delivered with a wicked smile and giggle - highlight was DP with me up her arse and a vibrator up her fanny.

She seems to be into couples so would be a good choice for a 3-some, if that takes your fancy - some great stories about picking up other girls whilst on dates with clients at stripclubs/lap dancing bars!!

Would recommend for a longer period too - if my bank balance/ticker could cope...
