### The Premises:

my place

### The Lady:

petite,dark haired beauty, great body and gorgeous bum, you could caress all night.

### The Story:

I've seen Amelie quite a few time's and she never cease's to amaze me, she greeted me as usual with a kiss, and a smile that would melt an iceberg!!!

we had our usual chat and banter, Amelie's never lost for something to say!

Then to the bedroom, the sex was fantastic, Amelie love's sex and she's very adventuress, I've to much respect for her to go into details but just let me say you will not be disappointed....

time allways flies bye but Amelie's no clockwatcher, roll on next week, thanks princess...
