The Premises:

Well appointed cottage 100yds from Barons Court tube station. Anonymous and discrete. Very good facilities, clean and good ambience.

The Lady:

3 Brazilian girls all early/mid twenties and all very sexy dusky latinās. Doris, Lucy and Yara.

The Story:

Due to the mixed FR's posted about this party I went with some trepidation but due to morning meetings in London the timing of this one suited me best. I needn't have worried as this was an excellent session. The numbers of guys never went above 6 and there was plenty of time to feast myself on 3 cracking girls. Although I arrived a little late the party was only just starting so I was able to eat pussy and fuck all 3 during the course of a relaxing no rush afternoon. The only downside was that none of the girls did OWO although their covered oral was fabulous (particularly Doris). Pam who was working behind the bar said it was down to the individual girl - some do, some don't, which is fair enough. It was Yara's first party and she's a natural, fantastic body and horny as fuck. Alex and Pam were very genial hosts eager to ensure everyone was enjoying themselves and all in all great VFM. Thoroughly recommended as long as Alex keeps the girls:guests ratio under control.
