The Premises:

A very pleasant flat in an attractive crescent. I felt totally safe.

The Lady:

Amelia is a petite EE girl, with medium brown hair and a very pretty face. Her slender figure is gorgeous - she has lovely jugs and the most deliciously rounded butt which looked and felt amazing, in and out of her tight jeans - absolutely my ideal!

The Story:

She kisses marvellously. OWO, reverse oral and 69 were all first rate, and the finale in cowgirl was superb. In case this review seems way over the top, I should add that I was totally sober at the time of my visit! I should also add that Amelia speaks very good English; she is warm and affectionate, and excellent company. She is great vfm and I am longing to see her again. I fear she could very easily become dangerously addictive.
