The Lady:

Veronica.... what can I say

5'8" i guess, fantastic figure, mediterranean skin tone (tanned), big eyes, great smile, vivacious, infectious personality.

The Story:

It started by me stripping down to nothing while veronica sorted the paperwork out.

After teasing her out of her bra, (to expose the most amazing, suckable nipples I have ever seen!!), and a prolonged session of kissing and caressing, we got onto the bed.

More of the same, followed by me removing her panties and going down on her (although she did have her legs together - i guess she doesn't like fingers... lol). She seemed to like my tongue though...

I moved onto my back and she raised herself up so I could feast on her gorgeous puss again - still with her legs together. If she didn't cum she is a great actress!!

A quick cuddle to let her get her breath back, then it was my turn!

oily hand job, followed by her rubbing her fantastic tits up and down my cock. Then onto oral without (?20 extra but SO worth it).

I wanted to fuck her, so on with the mac and she sat astride me so i could still get to those amazing nipples and tits.

Changed to doggy where i came too soon while watching us in the mirror in front of us.

More kissing while we dressed, plus some very flattering comments regarding the previous 30 mins (then again she probably says that to all the guys! LOL).

Great girl, great parlour.

Highly recommended.
