The Premises:

Victoria House presents itself as a Spa, with the non exercise related facilities of a Gym (Communal Jacuzzi bath, Sauna, showers & lockers).

It is kept very clean & is well decorated, with a relaxed atmosphere.

The shared changing and waiting areas though may be unnerving for some (though electing for the VIP room means you may be able avoid that if you shower before arriving on time).

The Lady:

Tanya is seemed fairly tall in her very high heels. She is about a size 10, C Cup, with very good skin & long hair with blond highlights. I found it really difficult to guess her age, possibly 30ish. She is attractive, but her site photographs are misleading, her body shape and tone is considerably better in the flesh.

The Story:

Opted for 1 hour (?120) in the VIP room (?30 cover).

Tanya does not mess about with chit chat to pass the time like some ladies, and gave me her full attention for the whole hour. The format of the meeting was agreed at the outset, which helped ensure I derived the most pleasure.

The meeting comprised of two extremely professional massages, and a shared bath where I was very thoroughly washed, and encouraged to fully reciprocate. The massages developed into more sensuous activities, with not just hands being used. She does likes to tease before the covered activities start, of which I have no more to say, other than I will never forget the pleasure experienced.
