The Premises:

London Retreat is a very well managed operation very near to Earls Court tube. I really appreciate the level of service and quality of attention I get when visiting. There is always a nice glass of wine while waiting, the apartment is clean and tidy and there is a lot of spanking implements, uniforms for the lady for the perfect setting of a fantasy.

The Lady:

Lisa is in her mid twenties about 5'6" very fit with a beautiful face, radiant eyes and a shapely body, long brown hair, thin waist, pert breasts and the most perfectly shaped bum atop very nice legs.

Lisa is a gem, she's cool, down to earth, friendly and has a great sense of humour. Her role playing ability is top level, adapt easily and act accordingly. Along the play she use a variety of spanking implements, and she is sexy, seducing and firm at the same time. Challenge her and she will give you an expert caning you never forget.

So far I'm afraid none match up to Lisa.

The Story:

Type of role play and uniform is discussed, she goes off to dress, enters the room and tell me to admire and worship her legs and bottom before admin a good OTK spanking. On my knees in front of her worship continues from legs to her beautiful shaven pussy and a lengthy oral ends with her squeasing my face and coming. She gives oral with lots of eye contact and shagging her is always mindblowing sensual, especially from behind with her lying on the bed just pushing her bottom up slightly. After a powerful orgasm play moves onto worship and punishment. After a final caning she's ready to enjoy more oral.

Lisa is a very special girl who delivers a mind blowing experience. Thanks, Lisa. Love you.
