### The Premises:

A two bedroom flat, in a building not far from South Kensington tube station. The flat was clean and well kept. The shower was fine and a clean towel was available.

### The Lady:

Lucy is pretty much as the pictures in the agency website, and if anything I would say she looked prettier in person. I suspect she's put on a couple of pounds since the pictures were taken, but she is in fabulous shape.

### The Story:

I decided to go for a less rushed 1 1/2 hour appointment and that proved to be a good decision. Lucy is very pretty and friendly, and the extra time allowed me to relax a bit. She clearly wanted to please me and, whilst we all know this is a job, I felt welcome and cared for. We went through the moves and suffices to say I left happier than I arrived. Lucy is an intelligent girl, and her English is good. We had a nice chat over a couple of glasses of Lanson, which made the meeting even more enjoyable.
