The Premises:

Lauren's basement flat is in a quiet road not far from Kensington High Street. Very discreet and pleasant area. The flat has been very nicely refurbished and well maintained by Lauren.

The Lady:

Lauren is a very attractive blond in her 40s with a magnificent pair of boobs and a rubenesque figure which she puts to good use. She is a great talker and capable of putting anyone at ease. As a previous report stated she enjoys good wine - a bottle of rose certainly hit the right spot.

The Story:

After a very relaxing drink we retired to her large bedroom and under her expert hands and those blue eyes my cock was rock hard. Lauren's expertise is OWO with those magnificent breasts caressing my balls.

She is also a self appointed "serial swallower" as she likes to be known. As she explained she just likes sex and especially sucking. Next time I intend to explore the other services on offer which I was told do not include anal.
