The Story:

I am a very new punter and this was my second visit to a massage parlour - Zoe had a cold and had just started her shift. she took my eye straight away and we headed off for 45 minutes of pure pleasure. i asked to massage Zoe and she seemed to enjoy this, starting with her back - bra off quickly, and pussy making slurpy noises as I masaged her. After 10 minutes of sensual massage, I lay beside her and we tarted kissing and me fingering her pussy. We then moved to reverse oral and I really started lcking her lovely tight pussy. She started to suck me OWO? and that had me rock hard. I asked for the condom and with her astride me cowgirl, I din't last long. I was her first customer and was ready for a come, so I spent the rest of the time licking her pussy until she climaxed - genuine I thnk. I will be back to see Zoe as soon as I can.
