### The Story:

Lucy is a very friendly girl and instantly puts one at ease. Unfortunately she only allows covered oral, but she takes this very well. Having her lie there whilst I knelt above her and fucked her mouth was a real turn on. On the down side, I was not able to practice my oral skills on her as this is also strictly off the menu. Lucy also has a lovely tight little pussy, although she was trying to stop me gaining full entry. Nice though and it was great to glance at her playing with herself whilst I licked, sucked and nibbled on her nipples prior to getting inside her.

In all I felt Lucy was worth a punt, but I'm a bit spoilt paying just an extra ?10 to visit Lisa (see my earlier posting) who does not hold back!
