The Lady:

Tall, about 5ft 11ins in her heels, slim, small breasts, shoulder length curly hair, friendly, intelligent and all in all a very attractive woman.

The Story:

I arrived at Kandys at the time agreed with the maid and although was told that Lou Lou would be 10 minutes had to wait with increasing frustration for about 45! Not a good start but having read her last (and only) report I was determined to see her.

After punting on and off for a few years, and having a few poor but mostly good experiences, I can now stop researching on the internet for the perfect girlfriend experience. This woman is it. Usually I would expect to be told to strip, be briefly massaged, sucked off, fucked and shown the door- albeit in the nicest possible way. But this woman is something quite different. She REALLY treats you like you are her boyfriend. No rush to get clothes off, instead a relaxed chat on the bed, plenty of stroking, kissing. Things slowly become more passionate, there is no pressure, no clock watching and her focus is totally on you. In fact it was up to me to check the clock and speed up the proceedings as I had an engagement to get to, otherwise I have no doubt that we would have overrun by a lot longer than the 10 minutes we did. She is very sexual, makes all the right moves and noises and genuinely seems to enjoy her work. I have not enjoyed myself or been so turned on nearly as much with any other escort. Lou Lou is a real find. As long as she remains at Kandys I will visit as often as my bank balance allows. For a girlfriend experience, VERY highly recommended.
