The Premises:

very clean house and nice area. Main road is busy but you enter at the rear of the building so ok.

The Lady:

lady was small attractive with nice tits(c cup). Has a tattoo just above her pussy. have to say i was very pleased with her. I guess she was mid twenties but dont quote me on it.

The Story:

Never fucked a thai girl so i thought i'd check out mirage. Prices have recently increased to ?40 quid for half hour but they let me off so it only cost ?35. Started with massage then she started to kiss and lick all over my back(nice). Then turned me over and did same to my front also rubbing her tits over me. Started to suck my dick without(no extra charge) but didnt suck for long. On with comdom and did the regular positions. Have to say it was a nice punt different from the usual places.
