### The Lady:

Well, I went to see Portia, but she wasn't working today. Introduced to 2 girls, of which only Lindsey did all services, so I chose her.

She is tall, with long legs and big hips, but not fat. A bit horsey looking, but reminds me of a work colleague who I'd love to fuck, so that was good! Lovely breasts, flawless skin and looked happy. Years of experience say never choose a girl who looks bored or miserable, cos that's how they'll fuck - boring and miserably.

### The Story:

Oh boy, am I glad I chose Lindsey. Started with a brief massage then down to some passionate kissing and general exploring of her statuesque body. We did this for a while then I went down on her perfect tasting pussy for a good 10 mins. She hadn't shaved for a while, so a bit like french kissing a hedgehog (I would imagine...) but nevertheless, fucking hot! She seemed to enjoy it. Then we swapped positions, me on my back and Lindsey kneeling beside me, and she gave me some excellent deep OWO. Again, no hurry, she sucked my cock for ages and got me really hard and ready for a good shag, which I got. Lindsey on top first, leaning forward to kiss me some more while I squeezed her lovely tits. Then doggy, with her magnificent ass perfectly presented for me. This is one horny girl! After 5 mins of this, she said "Anal?". Fuck, yes! She lubed up, and I pushed my dick into her, slowly at first because she was so tight. But when we got going, I was able to fuck her asshole hard and deep. It was a fantastic sight (for me, anyway) with a big mirror to one side so I could watch myself playing porn-star! Another of the best 5 minutes of my life flashed past, then I told her I wanted to cum in her mouth. No problem, Lindsey on her knees, me standing in front. Lot's more deep oral with horny eye-contact, then I took over and wanked my huge cock, pornstar like into her open mouth, letting off 5 or six huge long spurts of cum onto her tongue. I can honestly say, it was the best orgasm I've ever had with a working girl. Lindsey discretely spat out my magnificent effort, although she could have gargled with it. She then cleaned her mouth and kissed me again. I told her she is a sex goddess (at which she chuckled), washed my hands and left, weak

kneed and in love.

Would I see her again? Re-read the report, numbskull! What do you think???
