The Premises:

Clean, safe, entry security system. She had to come down to let me in (wearing not a lot!)

The Lady:

Long Brunette Hair, very wide flaring hips, about 5'6" pretty and decent english but with a strong Spanish accent

The Story:

Okay time, she was fun, chatty and helpful BUT covered oral (how long since I've had that?) and she rushed the bj at the start when I'd rather have prolonged it. Shaven pussy. Would not take off her basque which made me suspect that she had just had a child and her belly showed the effects? BUT and this is a BIG BUT, she was not the girl as advertised. Why do these agencies do that? 90 minutes you should know better. This was 100% definitely not the Jennifer on the web site. If they do want to swap because the girl is sick or tired or on holiday JUST SAY SO! I won't use them again - ever!
