The Premises:

The flat was clean and tidy, but I understood later that Samantha does not live there.

The Lady:

She is prettier in the flesh and looks more like a very pretty and cute girl next door.

The Story:

I have always debated whether I should see Samantha who has been in London for quite a long time, but never mustered enough motivation to do so due to lack of FR?s. But on that I day I decided to give it a go and indeed I was not disappointed.

She gave me a very relaxed time; a genuine girl who speaks excellent English and has an uncanny ability to make you relaxed.

She performed an excellent BBJ, one of the best I have had in the recent past, and sex was very pleasant and girlfriend like.

I will definitely visit her again.
