The Lady:

Very pretty, busty chinese lady with very big smile and funy SOH, a bit fake with the dahlin, dahlin but other than that very nice.

The Story:

Superb, started off with good massage, nice and deep as I relaxed and drank my OJ, got turned over for fantastic OWO, nice, slow and deep with plenty of eye contact, didn't mind me crossing my legs behind her head and forcing my cock deep down her throat till she gagged, held her head and smacked my cock off her face and lips before turning her over for anal (?20 extra) started off with cowgirl anal which was very deep, but being me I wanted to abuse so lay her down on her stomach and drilled her deep before pulling out, whipping the rubber off and finishing in her mouth, superb and great VFM. Highly recommended, there is another girl in the flat called sonny who doesn't do anal, so if its your brown wings you are after make sure you see Mali!
