The Story:

I have seen Erica a number of times now and her bubbly compassionate nature has brought me through a very difficult time in my life, and I feel I have found a true friend. She immediately puts you at ease and transmits such warmth that you receive that certain something other escorts don't give. Erica is intelligent, articulate and a good conversationalist which makes any meeting a stimulating as well as an exciting one. I am still glowing with the memory of our last encounter and eagerly looking forward to our next.

Erica is choosy about the clients she sees and will only visit one per day, which makes her even more special and personal.
