The Story:

Met at my Hotel and on entering room Tara gives you a great sensual kiss. Money sorted and then into great FK and on to uncovered oral etc. Tara is such a natural and really knows what turns a guy on. Fantastic BBBJ and rimming nearly made me shoot my load but I moved to give her pussy a prolonged tonguing which she loved and made horny mewling sounds before orgasming. On with a condom and into cowgirl as she rode me to heaven. I managed to stay for the ride and then moved into doggy where I shot a huge load whilst she urged me on. Just the best. Went for dinner where she was a perfect companion with a great sense of humour. Back to the hotel for round two which was more of the same perfect sex. A great mix of GFE and PSE and such a shame that not all experiences are as wonderful as this one. Treat Tara with respect guys and enjoy!!
