The Premises:

Pleasant, clean flat very near to Holborn tube station. Perfectly safe and discreet. Although the area around the entrance is quite busy, they buzz you in pretty quickly and I have never felt conspicuous visiting the place.

The Lady:

Sara is slim with a fantastic figure and a great pair of tits. She is also extremely pretty and has gorgeous long black hair. The pictures of her on the website are genuine, and I was pleasantly surprised as to how beautiful she was.

The Story:

Sara is a bubbly girl who put me at my ease very quickly. She is really easy to get on with, and clearly enjoys what she does. At my request, she began by giving me a massage which she is pretty good at, but when she started talking dirty I thought it was time to move on to the next stage! At Sara's suggestion, I fucked her doggy style in front of a full length mirror as I groped her tits and she talked dirty to me. A great way to unwind - thanks Sara!
