The Premises:

Slightly exposed location in Covent Garden (lots of passers by) but fine once inside. The "maid" is in her 50s and unfriendly.

The Lady:

Friendly but very plain girl in her mid-20s.

The Story:

On the plus side Meena is friendly, not old and has a reasonable body. However, she is facially very plain indeed. For some punters that might not matter, but for me she is in the wrong line of work. Sorry Meena!

p.s. the web url refers to Soraya. Rather sloppy on the part of Covent Garden Girls.
