### The Premises:

Same basement used by a couple other wg's, its seen heavy use and as a result it a bit tardy inside.

### The Lady:

Was totally dissapointed when i saw her, her pics have been heavily airbrushed, she look very ordinary in real life and i wouldnt chat her up if i saw her out, + she had bad teeth from smoking.

### The Story:

I shud hav made my excuses and left but i hav had a couple of crappy london punts recently, tried & failed to book elita or anais but no luck for the past 2 weeks & was hoping to break my duck 2day so i stayed she was quite friendly (besides i too much of a wuss to leave), she was pretty turned on and was really over me as soon as i was in the room but she just didnt do it for me (she was really hairy aswell) and then i asked her for sum oral, she said no condoms & she only did oral with!! ( not again ) 2nd time this week, i got up adn wanted to leave ut she ran upstairs and got one so i banged her to atleast get sumthing out of my 150 and as soon as i came i cleaned up and made my excuses to leave, she said hope to see u soon ( yea right ). It seem u cant get a satisfactory punt i.e cum 2ice + owo for 150 with a fit bird in london (with the exception of samantha @ chp&chk although i havent been able to book her all week as well) is it just me or is it the same for most people. Maybe i shud stick o MP's when im around stoke-on-trent or wait for nina @ HoD to come back.
