### The Story:

For anyone who has had the pleasure you will also be walking around with a big smile! Morgan's oral OWO is wonderful to bursting point and you do get past her tonsils. We kissed and cuddled and I returned the favour and then whilst alternating kissing her lips and breasts we both fingered her to her climax (a little damp. I could have stayed and married her biut the clock was ticking so we went for diggie fashipon both looking in the big mirror at the bedhead with all that beauty I couldn't last long.

Morgan is lovely and sexy and as a GFE it rates amongst the very best.
