### The Premises:

A clean, private house on a main road, but with rear entrance if required, it was safe until another punter knock and another girl working there went to meet him. you can here them walking up the stairs past your door.

### The Lady:

god this is hard, erm, early 30's, slim nice cheeky round arse, and tits are a big handful.

### The Story:

paid for a full service plus oral, left in room once i paid while she put money away, theres a porn mag available so you can only dream what you want.started with massage with talc, then turned over and a bit of oral without. we then swapped positions and i was allowed to play with her and use a toy but not allowewd to give oral. then back to my back for sex, she on top i was slightly going soft but she soon had it hard again and shot my load in her.

i wont be going back, just didn't feel relaxed, but place is wonderful and the girl excellent. i just had a off day.
