The Story:

Arrived quite nervous but nerves soon went when Julie greeted me and supplied me with a drink. No messing around went straight for the bedroom. Julie had a black dress on which came off straight away and went straight for my cock and started sucking. Julie loves sucking cock and soon ended with CIM with Julie lapping up all my cum.

Had a chat and then Julie started sucking my cock again and playing with my balls, BJ's are fantastic. I then fucked Julie hard in Mission, Doggy and cowgirl of which she was panting with joy but not over the top. Finished in doggy had a rest and then on for round three. I think Julie loved the thought there was a round three and so did I. She is a kind caring woman who loves what she is doing and can't do enough for you. She does not do a-level but if she did that would be something else, well I can always dream.
