### The Premises:

No need to add to the endless comments about the Retreat. Simply the best dungeon in London. Great service. Great mistresses.

### The Lady:

Kate is I guess early to mid 30s. I like Dommies who have experience. They really know what they are doing. She is (a) beautiful - dark haired, foxy and confident - and (b) built for sex, not skinny but not fat, shapely, raunchy, curvacious.

### The Story:

The Retreat always fields great Dommies. In the old days, we all raved about Victoria. But the new Queen of Dommies is Kate. I have seen her several times. She is just what a Mistress is meant to be: harsh, cruel, sexy, erotic, tantalizing. She uses her eyes to stare you down. She unusually for a Domme uses her mouth to tease you, a kiss here, a lick there.

She had me worshipping her fantastic long legs. She tied me to her cross and teased me. Whipped me. Kissed me. Spanked me. Licked me. Spat at me, into my mouth and made me swallow. She made me lie on the floor and then pissed into my mouth. Squirt after squirt of her golden shower coursed down my grateful throat. Then she lay on the bed and made me lick her ass out, telling me to force my tongue as far down her hole as it would go. Then she made me lick her pussy and suck her clit hard. She loved it. She finally tied me down to the bed and, after a good sniff of Amyl so I was in heaven, she smothered my mouth in her pussy as she sucked me dry (covered). Just just to make sure I knew my place, she pulled off my condom and force fed my own spunk down my throat, making me swallow it. God it was one of the best punts ever. Perhaps one of the best sessions ever.

Kate is a Goddess, boys. Look after her carefully.
