The Premises:

Neat and tidy terraced house on one of Telford's many estates, safe local parking, seemed very discrete.

The Lady:

Helen is a gorgeous blonde mid to late 40 with lovely long legs and magnificent breasts, she claims 34dd and I cant argue.

The Story:

Meet me at door with a kiss just like we had known each other for years despite this being my first visit. Quickly moved upstairs trying to calm my nervousness. Gave BBBJ which literally exploded the juice from my sack in a way I haven't cum in a long time. Unfortunately time and nerves didn't allow any more but having been once I am busy saving and phoning to arrange an hour visit.
