The Lady:

English blonde around early to mid 40's at a guess. Shaven pussy nice size natural breasts.

The Story:

Usual overpriced entrance fee (£15) and £70 for the "extras". I opted for a full personal service which was body to body massage, reverse massage, oral (With) and sex with Shelley pounding away on top (very enthusiastically). Nothing spectacular but a very responsive and friendly lady. She really did seem to enjoy having her nipples sucked. The one point as ever with this parlour is the time spent and the service offered a total of £85 is high when a similar service at somewhere like Giggles is £60. Still a friendly and convenient place for a bit of Saturday afternoon delight though!!
