The Story:

These parties are great,I have been several times but never reviewed before. Had such a good time at this one thought I'd post a note.

It all starts with some quality girl on girl action. All joining in with each other,stripping off, 4 absolute stunners I might add. The guys are then so worked up they cant wait to join in! Claudia came over to me and gave me a blow job whilst sable was licking her pussy and arse.She was amazing at owo.Then she handed me a condom and sat on me. Meanwhile sable had one guy fucking her whilst she sucked another off!! I have to say Lucy is absolutly lovely with a tight ,cute, tanned body and a sassy attitude. She took me upstairs and totally wore me out !So I had a beer and chilled out with the party hosts.

Highlights were lots of group action and sweat! The girls are lovely and dont stop all afternoon. It was great watching Lucy lapdance for a guy and generally being pleased but such stunning ladies! At the end Sable gave me another blowjob then Melinda came over and started to help! I didn't think I would cum again but I managed to over sable tits..It was a great party
