The Story:

I had booked to see Jennifer, who is by far my favourite at Brooklyns. I have been seeing her regularly for about 18 months, but when I saw Alexia, whose first day it was, I decided to have a 2 girl. What a treat it was. Jennifer seems to enjoy the threesome and certainly has no inhibitions and Alexia seemed very happy to enthusiastically participate. I am not into the lesbian show, I like all the attention on me, and boy did I get it. Started with some OWO fom Jennifer while snogging Alexia, then gave Jennifer O while being sucked by Alexia. Then O on Alexia who has 2 piercings down below and one breast piercing, while being sucked again by Jen. Then more O on Jen till she came quite quite loudly. Then on with the cover, Alexia in mish then change of cover and Jennifer in cowgirl while snogging Alexia again, and finally Jennifer in mish while Alexia played with my balls. wow. What a dream of a half hour. Boy did I leave with a smile on my face.
