### The Premises:

Very discreet, being at the end of a cul-de-sac. Inside large reception room, with big TV. Always offered some refreshment even if you decide not to stay.

### The Lady:

Absolutely stunning. Totally fit with the most sexy bum and perfect firm tits. Shaved of course.

### The Story:

On arrival none of the girls were available, so had to wait, looked after by the receptionist. First back down was the lovely Shelley, whom I was tempted to see. Followed by Megan, a nice girl but not quite my cup of tea. Lastly Faith reappeared, decision made.

Following Faith's beautiful pert bum up the stairs, I Knew that I had made a good choice and that this was going to have a great time.

Entering the room together she apologised that it was the only one without an en suite shower and that if I wanted we could swap rooms, I told her that it was fine. Next thing I know I'm being snogged by her, with plenty of tongue to which I responded in kind.

Faith, told me to get undressed, during which she realised that she was out of condoms and had to pop out of the room for a few minutes.

When she got back she offered me a massage which I took. As she was dusting my back with some talc she said that it reminded her of putting icing on a cake, to which I made the comment more like shake and vac. Massage was great with Faith rubbing her boobs over my back and nibbling my ears, which always gets me going.

Turn over for some wonderful covered oral. Then I manoeuvre her in to position so that I can lick her sweet pussy. I start off lightly kissing her, but she soon starts to tell me where to lick, and following her instructions I am down there for a long time and bring her to a stunning orgasm, which was clearly not faked as she couldn't move for a couple of minutes afterwards as she had obviously

gone to a different place.

Omce Faith Had recovered her composure I climbed on top and we start to fuck, then we change places. Finally on to doggy with me coming her. The end of a memorable experience.
