The Premises:

Cosy, clean flat in Chelsea is how I would describe Julia's place, just off Kings Road, a short taxi ride from Sloane Square station.

The Lady:

Julia is fucking gorgeous, there is no other way to describe her, really her photos don't do her justice, she is just stunning.

The Story:

I don't really know what to write here but everything was perfect in my session with Julia. I opted for Anal which was ?50 extra but she was really able to take a good arse fuck and everything else was done with excitement and enthusiasm and I definitely did not feel rushed and felt she really liked having me there. OWO was equally as good, and she swallowed some, and her pussy felt incredible. All I can say is this was the best ?300 I ever spent, and I will do it again when I can afford it.
