The Premises:

her place, clean and in a safe street.

The Lady:

Plusses, best legs and feet on the web and her tits were small,pert and firm. Minusses complexion not brilliant but made up for by smile and animation.

The Story:

Smiling welcome with lovely teeth, offered juice or water, but she looked so gorgeous that I wanted to get on with the main course. She cuddles before and after and although she said I was too big for anal, had no difficulty in swallowing the whole thing. Off home to Riga for a week on Monday and then back to work. One of the nicest and sexiest girls I have met, specially if you like larger girls, and so I look forward to her return.
