The Story:

a very enjoyable experience. had booked LIA but she was unavailable so agency quickly arranged LAUREN. I was not dissapointed lots of fun good to talk to. her owo is very teasing and deliberate had me on edge for ages. when she cums her face is a picture. cowgirl doggy then cowgirl again and i finally came over her tits,her face her hair. it went everywhere. shared a shower.she is curious about anal but only with the right guy. a much better experience than my last punt with LOLLA from UKBUSTYBABES which was a nightmare.LAUREN is a real class act from a class agency.
