The Story:

I have seen Angie a couple of times before and following other recent bad punts I wanted to return to an agency and WG that I knew I liked. I rang in advance and asked that Angie wear something revealing!! When I arrived she was wearing a lovely short floral dress with her gorgeous DD boobs bursting to get out.. wow!! If her face wasn't so beautiful I would have struggled to ever take my eyes from her magnificant cleavage!! We chatted briefly on the sofa, before she straddled me, those boobs inches from my face before guiding my head into her cleavage!! Heaven!! We continued to kiss and grope on the sofa before moving to the bedroom. The oral and sex was great, lots of positions, she does all services and does them amazingly. This is one top chick, in my opinion one of the horniest WG's in London, if not The Horniest!! Would i return? Having just written this, I am tempted to go back now!!
