The Lady:

Very slim, quite cute but very quiet. Nice pert boobs and tiny bum. Clean shaven. I would guess about 22.

The Story:

Well, I said in my last report that you shouldn't choose a girl who looks bored or disinterested. If only I would follow my own advice!

Emma was nice, but we just didn't click. She gave me a pathetic massage, not erotic at all. I then played with her before a bit of OWO, not very good at it, she just seemed bored. I went down on her for a minute or two. No reaction from Emma, and I know I'm bloody good at it!

Then sex in a couple of positions and the only good bit - the doggy style anal. Nice view of my big knob doing her deeply up the bum. Did this for a while then decided to shoot my load in Emmas mouth. No complaints from her, just another bored expression. When I came, and it was a good mouthful, I thought she was going to swallow, not that it bothered me what she did with it. However, oddly, she started rearranging the bed, then the curtains, then started dressing before finally spitting my effort into a tissue! She must have had my goo in her gob for a good minute and a half.

So in summary, a totally uninspiring session with a girl who was OK looking, not nasty in any way, just, well, not interested in having a good time.

I'll go back to Lacey's again (see my reports on Portia and Lyndsey) but I won't be rushing back to see Emma.
