As per the photos, she is a very young but very sexy girl. with a toned body, and a very sexy face.

The Story:

Julia arrived at my place, we had a talk and some drinks to get to know each other, then kissed before heading off to the bedroom. Julia obviously is new to this job and seemed a little shy at first but after a minute she got really into it, giving a great uncovered blowjob, and then really good sex in many different positions. Watching her hot little body was a real turn on as I was fucking her. After this we went to dinner with some of my business colleagues, I introduced her as my girlfriend and she played to this perfectly, and I had a really good evening with her. Then we went to a bar together, had a few more drinks before heading back to my place where we had a shower together before going to bed where we had sex again, and this time it was even better than the first. We were both worn out after this and it was getting kind of late so she fell asleep in my arms, and she was still fast asleep when I woke up. I gave her some kisses to wake her up and she smiled and then she got on top of me, and we made love like a real couple. Unfortunately I had to go to work, so had to let her leave, but this was one of the best nights of my life, and I hope Julia keeps this attitude as it is not often I meet a girl I like as much as this.
