The Premises:

Pleasant basement flat of terraced house in busy side street, opposite a pub but no one seems to notice. Her room was sparse but functional. Only fault was a rather lukewarm shower.

The Lady:

Very much as her photographs, radiant smile, blue eyes, small breasts, slightly large thighs but in no way overweight. Tattoo in Chinese writing on the small of her back, I wish i could read Chinese. Talkative, intelligent and thoroughly charming. She imidiatly made me feel comfortable and welcome.

The Story:

It was a very entertaining hour with Jane. She has the ability to make you feel welcome from the moment you meet her. Enthusiastic kissing, a sweet body, lots of eye contact. BJ was the best I have had for a very long time, deep and sensitive, she swallowed the lot. After the first pop I didn't think I would manage a second round (it was a warm summer evening and I was exhausted). We cuddled and chatted for a while, but Jane managed to get me fired up for yet more. BJ followed by some very enjoyable sex. We then cuddled silently for what seemed like ages, the hour seemed to last forever. What I most liked about Jane was it didn't feel like an encounter with a well rehearsed working girl, more like the first time with a new girlfriend. She's sweet.
