The Lady:

Pretty looking Thai lady, difficult to say how old, guess mid 20's, slim size 6-8 with 34"B, dark hair with blonde highlights, Says she's from Bangkok, not Isaan. Good english.

The Story:

Booked Mei as I'd not seen a Thai girl for a little while, and wanted to check out this new girl at Divine. Was shown next door by Veronica and waited for Mei, she was gonna be about 10 minutes so I took the time by having a shower.

After a while a little head popped round the door, she wasn't sure at first If she'd got the right guy. Sorted the cash and Mei went and got me a drink. She soon came back and kicked things off with a massage, she's quite good at this, most thai girls seem to be. Time to turn over, she was kneeling by my side waking billie up, gave me OWO, which she is good at, gave my balls a lick after I asked her to. On with condom and we started in cowgirl, good position to see this petite girl bounce on your lap. then to doggy and Mish.

Mei is passionate in the room, and likes to kiss. But for some reason I just couldn't cum, no reflection on Mei, she's a good performer. And I don't have any hesitation in recommending her. Like most Thai ladies she prefers you to shower before a meeting, is a good tip with any girl If you want there mouth round your dick. She said that she also does anal but only on longer bookings, and CIM.
