The Premises:

Brand new establishment only opened the day before. Very clean and contemporary decor. Great waiting area and the rooms are of a similar theme. Bed sheets were sweat stained.

The Lady:

Stunning to look at. Tall with long straight brunette hair. Trim and taught body.

The Story:

A 'going through the motions' back massage, covered oral, doggy then hand finish. No kissing and all very mechanical. I didn't really enjoy the experience. Nice surroundings spoiled by a very average and relatively expensive punt.

May suit some.
