The Story:

Zoe looked the best of the bunch. Led me thro the room. The usual massage followed by some oral. It was good enough but didn?t get me really hard. I licked her out. Always like that. On with the condom and her on top. She seemed a bit tired but tried at least. It wasn?t working for me that way so we swapped and I went on top. it took a while but eventually I came.

Zoe is ok but she didn?t talk much. Maybe she had a heavy night or something.

To be fair, the heat in the room affected my performance. So I think she?s ok.

Didn?t do it for me fully but she?s got looks and is nice enough so I?m sure she?ll be there a while yet.
