The Premises:

Clean, safe, central and easily accessible, between Bond St and Baker St.

The Lady:

Unfortunately I arrived too late for introductions, and once the action started I have to admit to not paying attention to their names! Apologies, ladies! The girls advertised as attending were Sarah, Helena, Jasmine, Sabrina & Jenny - but there was definitely a 6th and possibly a 7th girl in attendance, which hadn't been advertised in advance.

The Story:

It was my first party, and I was so nervous in advance that I arrived late and the party was already in full swing. Soft moaning came from each of the rooms and there were naked bodies gently caressing each other everywhere. I was quickly put at my ease by Lady M (who is lovely, by the way), shown where to put my clothes and given a security envelope for my wallet and so forth. Then into the shower for a quick clean, on with the towelling robe, and on to the action.

Sensing that I was maybe a little shy, Lady M steered me firmly into a bedroom and introduced me to Helena, who was naked and writhing on some lucky chap's face while another girl sucked him off. She generously took time off being pleased to introduce herself, then before I knew what had happened she had stroked me to full hardness and was sucking me off with one of the best techniques I have ever felt. After a couple of minutes she proceeded to mount me and fuck me hard with her gorgeous tight body - it took only a few minutes for me to reach my first climax.

After that, events get a little blurred. In an hour and a half I was blown by three ladies, gave oral to one, had my cock stroked by almost all of them and had three of the best climaxes of my life. Not to mention seeing some sights that will stay in my memory banks for a long time to come.

I can't recommend these parties enough. To anyone reading who, like me, is a nervous person thinking of taking the plunge, all I can say is that these are friendly, happy people, in a relaxed environment, having a good time (and, I assume, making decent money with it). There was nothing seedy or furtive about this party, nothing offputting at all, and I will soon be back.
