The Lady:

Tara, is as described in her profile 5'9" tall with short hair and curves in all the right places. She has a lovely warm personality and we got on instantly.

The Story:

Tara, came in and I welcomed her with a big hug and a kiss, then we had a cup of coffee and talked for a bit. I'd just been in the shower and was in my bath robe lol!

She was sat on the settee so I went over and sat facing her on the Settee. We started to explore each other kissing and licking and fondling. Now boy can this girl kiss lovely soft lips and she loves to use her tongue as well which is really long.

Eventually we started to undress each other, she'd worn a really nice basque with stockings just how I like it.

We did some more kissing and I played with her nipples and sucked and licked them. She loves this so don't leave them out lol! We then moved onto me giving her O which made her very sensitive think I was a bit too enthusiastic lol!

After that we moved onto her giving me a blow job which was fantastic the best ever.

So treat this 1 right she's a lovely lady who deserves and commands the respect of any deserving gentleman.

I will definitely be back for more can't wait.

Love and kisses, Eddie XXXXXX.
