### The Premises:

Just off road out of town - over an office. Fairly open, but not that obvious. Free parking in street at this time of night.

### The Lady:

Medium hight, Very long dark hair, thin but curves in right places - smallish 'just right' bust, well trimmed down below. Lovely to look at. Said she was from Eastern Europe.

### The Story:

I've never experienced anything but great girls here, but Selina tops the poll. Great experience and very responsive - after inevitable explosion missionary style, wanted to give more massage! Will try to come (more ways than one) to Newbury more often.
