The Story:

Having read all the favorable reviews on Yuki, i decided to try her. Was very disappointed to find the girl who arrived was NOT the one in the pictures and was quite far from it. However, i know she is the girl reviewed by other punters because she was tall, was truly Japanese, and had the said tatoo above her butt. Having said that, i have to beg to differ - she is nowhere nearly as attractive as the girl in the pictures. Attitude however was nice and friendly, and all services were offered. I just wished agencies would stop using fake pictures. Yuki was nowhere near stunning as other reviewers described.
