The Lady:

As per the photos on the website. Blonde, Russian girl, about 5'6". Very pleasant company. Made me feel relaxed & comfortable from the start.

The Story:

Jane has a nice way about her. She made me feel welcome. Once the formalities were over, she moved close and kissed me. She then removed her dress and stood before me in bra & panties. We continued french kissing and I removed her underwear, laid her back on the bed and paid loving attention with my tongue between her legs. From her moans and sighs, it would seem that Jane enjoyed this and soon after, she came to a climax. She sat up and kissed me again, then as I stood by the bed, she undressed me, kissing each part of my body as she did so and finally got down on her knees, took my cock in her mouth and gave me a wonderful BBBJ. Jane has a stud through her tongue and used it to fabulous effect. I was having difficulty controlling myself and had to ask her to stop. I explained that I was about to come. She told me that that was OK and resumed her OWO until I too climaxed in her mouth.

Afterwards, as I got dressed, we chatted. She really is a charming girl, and I recommend her thoroughly
