5' 2", curvy, amazing breasts, really nice nature about her.

The Story:

We spent about 10 - 15 minutes chatting as we got to know each other. Cara is a really down to earth, northern lass - that's why I like them! But I couldn't wait to get her out of her clothes and check out those wonderful breasts. Cara offered to give me a massage which was gentle and relaxing, all the while making interesting conversation (it had to be interesting, it was about me! ;-)).

I turned over and brought her over. French kissing, then I licked her out. I think she came, but I'm not entirely sure. She appeared to be sensitive to having her clit licked afterwards. I stayed down there a while longer, loving every minute. Cara then pushed me onto my back and started a good bout of OWO. We then slipped the condom on and fucked vigorously with her on top, then missionary. I pulled out and came all over her stomach. In the middle of the fucking, Cara shouted "I want a good review!" lol. That was really funny, but she definitely earned it. Go and see Cara as soon as you can. She's a little dynamo with a great body and attitude (e.g. she told me "What's the point in not french kissing? It's part of it." Good girl!).
