The Story:

She is great! One of the best girls at valentines at the moment. Valentines dont seem to change their staff that often, so after seeing the same other girls for the past 2 years, its nice to see Juile as she is amazing. Great shower together where she rubs you up and down, then onto the bed with some great oral, she even put her fungers up herself to tease me, i nearly cummed then are then! She then got on top and i did not last long!
