The Premises:

Back to Crewe after a couple of years (Sandy?s made an impression), although first time to Brooklyns. Receptionist let me in & told me Astrid was running a little late (I had a booking), she seemed to be busy with paperwork, so v little chit-chat, not offered a drink, but friendly all the same. The place could do with a make-over, but im not going for a lesson in decorating?whilst waiting Lacy (very pretty) appeared & said Hi.

The Lady:

I was thinking ?typical woman? (always late!) when Astrid popped her head round & wow ? worth the wait! she apologised for keeping me waiting, and offered me a drink :). As per her web-site pictures, but better in the flesh - slim, long blonde hair & a great body - with a bit of sparkle!

The Story:

Great girl, great attitude & great service, this gem is going to keep me away from Manchester
