The Story:

If you want a GFE with a young, pretty, gentle, young woman, then go see Lolita. This is a smashing girl. She is a bit shy at first, so I would guess she is new to the game. I did my usual thing, teasing and tasting her with my tongue. She then gave me what was a really sensuous, teasing BBBj. I had to stop her a couple of times as I wanted this to go on and on and was in danger of exploding. Finally I asked for a condom and we went at it in missionary. I did not last too long, but her tender smile as I pumped away inside her was lovely to see. I will be back.
